The BofA Destinations Index™ (the "Index") has been created and is owned by BofA Securities, Inc. and its Affiliates (collectively, "BofAS") and the Index has been licensed to American Equity Investment Life Insurance Company ("American Equity"). Neither American Equity nor any fixed index annuity ("Product") is sponsored, operated, endorsed, sold or promoted by BofAS. Obligations to make payments under any Products are solely the obligation of American Equity pursuant to the term of the contract between American Equity and a purchaser, and are not the responsibility of BofAS. BofAS indices and related information, the name "BofAS", and related trademarks, are intellectual property licensed from BofAS, and may not be copied, used, or distributed without BofAS' prior written approval. The Products have not been passed on as to their legality or suitability, and are not regulated, issued, endorsed, sold, guaranteed, or promoted by BofAS. BOFAS MAKES NO WARRANTIES AND BEARS NO LIABILITY WITH RESPECT TO THE INDICES, ANY RELATED INFORMATION, ITS TRADEMARKS, OR THE PRODUCT(S) (INCLUDING WITHOUT LIMITATION, THEIR QUALITY, ACCURACY, SUITABILITY AND/OR COMPLETENESS).

Credit Suisse has no relationship to American Equity Investment Life Insurance Company ("American Equity"), other than the licensing of the Index and its service marks for use in connection with a fixed indexed annuity offered by American Equity ("the Product") and is not a party to any transaction contemplated hereby. Credit Suisse shall not be liable for the results obtained by using, investing in, or trading the Product. Credit Suisse has not published or approved this document and accepts no responsibility for its contents or use. Obligations to make payments under the Product are solely the obligation of American Equity and are not the responsibility of Credit Suisse.

The SG Global Sentiment Index (the "Index") is the exclusive property of SG Americas Securities, LLC (SG Americas Securities, LLC, together with its affiliates, "Société Générale"). Société Générale has contracted with S&P Opco, LLC (a subsidiary of S&P Dow Jones Indices LLC ("S&P") to maintain and calculate the Index. "SG Americas Securities, LLC", "SGAS", "Société Générale", "SG", "Société Générale Indices", "SGI", and "SG Global Sentiment Index" (collectively, the "Société Générale Marks") are trademarks or service marks of Société Générale. Société Générale has licensed use of the Index and the Société Générale Marks to American Equity Investment Life Insurance Company ("American Equity") for use in a fixed indexed annuity offered by American Equity (the "Fixed Indexed Annuity"). Société Générale's sole contractual relationship with American Equity is to license the Index and the Société Générale Marks to American Equity.

None of Société Générale, S&P, or other third party licensor (collectively, the "Index Parties") to Société Générale is acting, or has been authorized to act, as an agent of American Equity or has in any way sponsored, promoted, solicited, negotiated, endorsed, offered, sold, issued, supported, structured or priced any Fixed Indexed Annuity or provided investment advice to American Equity, and no Index Party makes any representation whatsoever as to the advisability of purchasing, selling or holding any product linked to the Index, including the Fixed Indexed Annuity. No Index Party shall have any liability with respect to the Fixed Indexed Annuity in which an interest crediting option is based on the Index, and is not liable for any loss relating to the Fixed Indexed Annuity, whether arising directly or indirectly from the use of the Index, its methodology, any Société Générale Mark, or otherwise. Obligations to make payments under the Fixed Indexed Annuities are solely the obligation of American Equity. The selection of the Index as a crediting option under a Fixed Indexed Annuity does not obligate American Equity or Société Générale to invest annuity payments in the components of the Index.

In calculating the performance of the Index, Société Générale deducts a maintenance fee of 0.50% per annum on the level of the Index, and fixed transaction and replication costs, each calculated and deducted on a daily basis. The transaction and replication costs cover, among other things, rebalancing and replication costs. The total amount of transaction and replication costs is not predictable and will depend on a number of factors, including the leverage of the Index, which may be as high as 200%, the performance of the indexes underlying the Index, market conditions and the changes in the market states, among other factors. The transaction and replication costs, which are increased by the Index's leverage, and the maintenance fee will reduce the potential positive change in the Index and increase the potential negative change in the Index. While the volatility control applied by the Index may result in less fluctuation in rates of return as compared to indices without volatility controls, it may also reduce the overall rate of return as compared to products not subject to volatility controls.
